Subject: No Further Enforcement Action

Dear Mr. (b) (6):

On October 8, 2010, the Department of Natural Resources (Department) issued a Notice of Violation (NOV) to FOIA Exemption (b) (6) Farms, Inc. for alleged violations of State pollution discharge elimination laws, Wisconsin Pollutant Discharge Elimination System (WPDES) Permit No. WI-0059536-02-0, and State spill law.

After a comprehensive file review, the Department has determined that it will take no further enforcement action on the violations alleged in the October 8, 2010 NOV. We reserve the right to reconsider this decision should violations occur in the future.

Thank you for your cooperation. If you have any questions regarding this letter, please contact me at (920) 662-5409.

Sincerely,

Karl P. Roovers  
Environmental Enforcement Specialist
